

Digital Age in Semiotics & Communication

Proposal for a Round table in the

13th World Congress of Semiotics “CROSS-INTER-MULTI-TRANS-”,

Chairs: Kristian Bankov, Reni Yankova and George Tsonev, Southeast European Center, New Bulgarian University

Within the research program of the Southeast European Center for Semiotic Studies, aimed at *new forms of knowledge, of social and linguistic interaction, and cultural*

values arising after the advent of the internet, we are pleased to invite you to take part in our Round table “Digital Age in Semiotics & Communication”. Some possible topics for the interested participants might be the new forms of knowledge, e-consumption, new media and the immersive e-consumption of experience, new forms of social relations in social media, new habits of communication and self-expression/representation, online corporate communications, digital narratology and e-fiction, digital grammatology, digital audio-visualisation, Internet linguistics.
