

**PERFORMATIVITY / ICONICITY:
SEMIOTIC TRANSFERS IN LANGUAGE AND LITERATURE**

The panel session aims at challenging the studies of performativity and iconicity in various cultural traditions from the semiotic perspectives. It includes contributions whose subject matter ranges from the earliest written texts of world culture to the 20th century avant-garde literary practices.

Panel organizer and chair:

Feshchenko, Vladimir V.

Institute of Linguistics, Russian Academy of Sciences, Moscow
Semiotics and Sign Systems Laboratory, Novosibirsk State University
